CHAIRMAN'S CORNER

I am privileged to welcome District Six Commissioner JesHenry Malone to the Madison County Commission. Commissioner Malone was recently appointed by Alabama Governor Kay Ivey to the District Six Commission seat following the unexpected passing of Commissioner Robert “Bob” C. Harrison in October 2017. Commissioner Malone will serve the remainder of the term through 2020.

Commissioner Malone was sworn in by Presiding Circuit Judge D. Alan Mann on Tuesday, March 20th at the Robert “Bob” Harrison Senior Center.
Commissioner Malone enjoys a long-standing history of community service in the Huntsville-Madison County area. A former Marine, Commissioner Malone is a graduate of both Alabama A&M University and Athens State University. After becoming a police officer in 1997, he was promoted through the ranks of the Huntsville Police Department to Captain.

We are delighted to have Commissioner Malone join the Madison County Commission and look forward to his service to Madison County, and most especially to the residents of District Six. I hope you’ll join me in welcoming Commissioner Malone to the Madison County Commission.

DEPENDENT BENEFIT COVERAGE Q&A

WHICH POLICIES ALLOW DEPENDENTS?

> Madison County offers healthcare, life, and vision insurance to our employee's eligible dependents.

WHO QUALIFIES AS A DEPENDENT?

> Dependent qualification is different on each plan. Typically, dependents are an employee's spouse, child, step-child, or child in which legal guardianship has been obtained. Please check the specific plan document to determine if your dependent is eligible for coverage. Plan documents can be found on Personnel's website.

WHEN CAN I ADD DEPENDENTS?

> Dependent coverage can be added at the time of enrollment, during Open Enrollment, or within 30 days of a qualifying life event for a Special Enrollment Period.

WHAT IS A QUALIFYING EVENT?

> A qualifying event typically involves losing health coverage, moving, getting married, having a baby, or adopting a child, within the last 30 days.

ARE THE DEPENDENT REQUIREMENTS FOR BENEFITS THE SAME FOR EACH PLAN?

> Dependent requirements for benefits differ from plan to plan. It is important to know the length of time a dependent can remain on plans varies as well as their eligibility requirements. Please refer to your plan document for more information or contact Personnel.

WHAT DO I DO IF MY DEPENDENT IS NO LONGER ELIGIBLE FOR COVERAGE?

> The employee should complete the administrative process to drop the dependent, lower the coverage tier (if applicable), and document the dependent's end of eligibility. If this process is not completed, there could be instances in which the employee is paying for benefits and the dependent is not eligible.

UNDER LGHIP, ARE DEPENDENT PREGNANCIES COVERED AND ELIGIBLE FOR BABY YOURSELF?

> Yes, pregnancies are now covered for dependents using LGHIP as their primary health insurance.

WHO CAN I CONTACT IF I HAVE QUESTIONS ABOUT COVERAGE OR DEPENDENT ELIGIBILITY?

> For questions, refer to your plan document, contact your plan provider, or contact Personnel at 256.532.3614. We are happy to answer any questions you may have.

New Notification Process:

WHAT TO DO IF YOU ARE INJURED ON THE JOB

1 NOTIFY YOUR SUPERVISOR

Immediately following a workplace injury, the injured worker should notify their supervisor of the incident.

2 CALL THE NEW TRIAGE HOTLINE

The Supervisor and Injured Worker should immediately call the **NEW** 24/7 Triage Hotline at 1-855-660-5200, which will connect them directly with a registered nurse.

3 PROVIDE THE NURSE WITH INFO

The Nurse will gather details from the Injured Worker regarding the injury to provide appropriate medical triage according to protocol. This may include instructions for self-care/first aid or a referral to a preferred provider clinic or ER.

4 COMPLETE PAPERWORK

The Supervisor should complete the "Employee Accident Report" and the "Witness Statement" if applicable, to be emailed to Karen Myhand at kmyhand@madisoncountyal.gov.

CALL: 1-855-660-5200

In the event of a life or limb threatening injury, please call 911 or go directly to the ER. If you experience any problems with the Triage Hotline or the Triage Nurse, please call MRM, your workman's compensation claims administration, at 1-205-451-0812.

POST-ACCIDENT TESTING PROCEDURE

Are you aware of the proper procedure when an employee causes damage to property but is not injured?

Please take a moment to ensure that you are following the correct Post-Accident Testing Procedure, as stated on Page 51 in the Employee Handbook. This section of the Drug and Alcohol Policy covers what the supervisor needs to do in this situation.

All employees are required to report all injuries or damage related accidents, and submit to a post-accident drug and/or alcohol test as set out in this policy. Each employee whose performance either contributed to the accident or cannot be completely discounted as a contributing factor to the accident shall be subject to testing. The employee's supervisor or his designee shall schedule the drug screening test immediately following an incident or accident.

This drug testing will take place at Madison County's Office of Alternative Sentencing located in the Sheriff's Annex Building on Wheeler Avenue, and will require a Personal Identification Number, as well as the last four digits of the Social Security number of the employee being tested. If the incident/accident occurred after office hours or on a weekend, the employee will report for the drug test the next business day.

To summarize, an employee damages property (County or other) but is not injured:

- The supervisor or Department Head should contact Personnel providing the employee's name and department.
- Personnel will provide the PIN to the supervisor and call Alternative Sentencing to schedule the drug test.
- Employee involved will report to the Office of Alternative Sentencing, providing the assigned PIN and the last four digits of their Social Security number to be drug tested.

If you have any questions or concerns, call the Personnel Department.

FUNDRAISER

FOR ST. JUDE CHILDREN'S HOSPITAL

From the Office of Debra Kizer, Circuit Clerk:

Every year, the Alabama Court Specialist Association conducts a fundraiser for a non-profit organization.

In 2017, The Association collected pennies to help Well House in Birmingham. The donations helped the Well House build additional housing for sex trafficking victims.

For 2018, The Association chose to partner with St. Jude Children's Hospital. We are collecting soda tabs until September 1, 2018. Court Specialists from all over the state of Alabama will present the tabs from their county at the annual Court Specialist Conference in Orange Beach, Alabama.

The tabs will then be processed, and all proceeds will go to St. Jude Children's Hospital to help support the many children in need of treatment.

We would like to represent Madison County well so we are asking for everyone's support.

Please collect your soda tabs and bring them to room 217. We will keep them in our office and present them at our conference in September.

We appreciate your help for this good cause!

For more information, contact Amanda Adomatis at 256-532-3390.

HONOR AND THANK
